

4.7 Outstanding Order Enquiry (All Queued and Wait Orders)

This real-time, multi-screen enquiry allows traders to view all their outstanding orders in the current trading day. It allows user to select certain filters to have a deeper look on the outstanding orders. Orders received by the AMS Host will be displayed on the upper panel. Orders that are still in ETTSS will be referred as 'Requests', can be displayed by using toggle. Both orders and requests are displayed in chronological order. Filled, cancelled and rejected orders are not displayed by default.
